PROFILE

Hi, I'm Vitaly and I'm passionate about web development and React. I work hard and care about writing clean code. I'm currently looking for an opportunity to work in an environment that will help me gain experience and progress into a full-stack role in the future.

SKILLS

- HTML, CSS, JavaScript
- Sass/SCSS
- React, Redux
- Node.js
- Express
- MongoDB
- Bash, Linux

EXPERIENCE

WEB DEVELOPER (FRONTEND)

- Built a fully functional MERN stack e-commerce website with a dashboard
- Developed backend with Node.js and Express for 3 mid-sized websites
- Created many small and mid-sized responsive HTML, Sass/CSS and JS projects

TRANSLATOR (RUSSIAN-ENGLISH-JAPANESE)

HIS International Tours, Freelance

- Tourism related financial documents and brochures targeting Japanese audience
- Audio-visual content from English and Japanese to Russian

Odex Private Limited

- Translated "Doraemon: Little Star Wars 2021" and created subtitles in Russian to it

EDUCATION

**FAR EASTERN FEDERAL
UNIVERSITY (RUSSIA,
VLADIVOSTOK)**

Oriental Studies - School of Regional
and International Studies

2018 - 2022
